Dear Parent/Guardian,

We invite your child to participate in our fun and exciting string workshop for Palm Beach Public School students. Our goal is to have fun whilst working hard to recover our technical and artistic skills after a long summer break!

Week One will be for Mozart and Beethoven students - group lessons and music related crafts.

Week Two will be for 4th and 5th Graders to prepare for Middle School auditions.

Flyers with application forms will be available at Palm Beach Public School.

Best wishes,

Henry Paret
Foundation President
